

## TIS BULLETIN: 31 MARCH, 2017

### Thought for the Week

Don't envy what people have, emulate what they did to have it.

@alphabetsuccess

21/4/17: G9 business excursion (local)

23/4/17: Exam candidates' service (11.00am); visiting Sunday (1.00-5.00pm)

### Making Us Proud

- Michael Kumi who swam for Ghana in Egypt this week.
- Our TIS delegates at MUN Haarlem which commenced today.

### Email Hassles

Unfortunately, our mail server declared its independence last week and prevented emails from being received or sent. I apologise for the continuing frustration this has caused parents. Perhaps, it needed a mid-semester break as well! Emails should not be bouncing now. If they do, please forward them to [support@tis.edu.gh](mailto:support@tis.edu.gh)

### TIS Re-registration

In order to ensure the accuracy of our student numbers for 2017/2018, parents will receive an email today to complete the re-registration of their child/children by 30 April. To confirm enrolment for next year, parents will be required to complete student and family data to ensure current data on MB is accurate. Please use the specific link provided in the email.

You will enter this data on OpenApply (OA) which is MB's younger sibling. It is user-friendly, however, if you have any issues, please contact Bijoux or myself.

### Students' Medication

Any medications, prescribed or non-prescribed, must be left at the infirmary for monitoring purposes. No exceptions. No excuses.

### Follow us

## Admiration

Quite a few students have visited school during the week for additional lessons, working on their science projects for the upcoming science fair, or for quiet study. For these students, this opportunity meant no late rising and typifies the focus that TIS students have to achieve their goals. Proud of you!

We look forward to our students' safe return on Sunday.

I appreciate your support.

Dr Ken Darvall  
Principal

## Science Corner

**TEMA INTERNATIONAL SCHOOL**  
**SCIENCE FAIR**  
**From Imagination to Innovation**  
Come see the science fair and engage in all students have to offer.  
3rd - 9th April

The theme for the occasion is. **”From Imagination to Innovation”**. There are various events scheduled to take place from the 3 -8 April. It promises to be exciting, educational and innovative. The featured programmes for the week are as follows:

**Monday, 3 April-** Preparation

**Tuesday, 4 April-** Sports

**Wednesday, 5 April-**Seminar on Genetic Disorders

**Thursday, 6 April-**Science quiz

**Friday, 7 April-**Preparation for science fair exhibition

**Saturday, 8 April-**Science Fair Exhibition.

All and sundry are welcome to participate in this grand endeavour.

**This is it!!!! You can't afford to miss it !**
