MISSION STATEMENT

Tema International School seeks to:

- Provide an excellent and diverse education for all, irrespective of nationality ethnicity, creed or gender.
- Draw on the cultural diversity of the school community as a foundation for building universal human values.
- Develop the spirit of inquiry in all our students as a fundamental tool for encouraging critical thinking and stimulating intellectual development.
- Create a safe and supportive environment which promotes self-discipline, honesty, integrity and excellence in learning.

We believe that the young adults who graduate from TIS possess the knowledge and relevant skills to unlock opportunities and contribute meaningfully to their communities.

BACKGROUND

Tema International School (TIS) is a private co-educational boarding school situated some 2 kilometres north of the port city of Tema, which lies on the Greenwich meridian. It offers courses leading to the International General Certificate of Secondary Education (IGCSE) and the International Baccalaureate Diploma (IB).

The school opened in October 2003 and was established to provide holistic education that complements the National Education System and facilitates access into universities all over the world.

The language of instruction is English.

ENROLMENT

The student population now stands at 300.

The age range of students is as follows;

Grades 7-8	12-13 years	MYP
Grades 9-10	14-16 years	IGCSE
Grades 11-12	16-19 years	DP

Currently students in TIS come from 10 different countries around the world. The majority are Ghanaian. The average class size is 15.

FACULTY

There are experienced, highly qualified and motivated faculty who are concerned about the wellbeing of each student and are aware that teaching and learning extend beyond the classroom.

CAMPUS FACILITIES

On a 10-acre campus:

- There are 4 hostels for boarders.
- An ultra-modern library which has the capacity to stock 22,000 volumes of books.
- Air-conditioned classrooms surrounded by attractive and well-tended gardens.
- A resource centre housing four science labs.
- Computer labs with over 50 computers with broadband internet access.
- Music and art studios
- A sports complex which includes a full-size football pitch, basketball, volleyball, tennis and squash courts, swimming pool and gym.

ACCOMMODATION

Usually six students share a spacious self-contained room with two toilets and two bathrooms. Hostel guardians supervise these hostels and have their apartments within the boarding houses. They provide pastoral care to students, playing the roles of parents and mentors.

CALENDAR

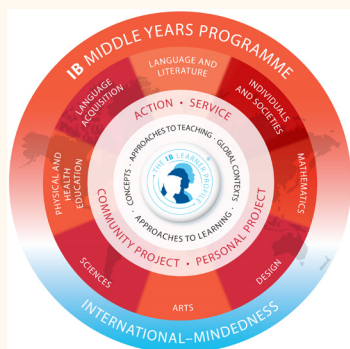

The school year commences in August and ends in June. The annual calendar of events is provided to the school community.

CLASS RANK

At TIS, MYP and DP students are not class-ranked numerically. Instead, emphasis is placed on student effort and achievement.

THE IB MIDDLE YEARS PROGRAMME (MYP)

Tema International School is now a candidate school for the Middle Years Programme. In the coming two years TIS will be pursuing authorization as an IBMYP World School. These are schools that share a common philosophy—a commitment to high quality, challenging, international education that Tema International School believes is important for our students.

The curriculum for Grades 7 & 8, based on the MYP Philosophy, is a curriculum that will prepare Grade 7 students for further education in the MYP and afterwards the DP. At the same time it will prepare the Grade 8 students to merge seamlessly into the IGCSE courses in Grade 9 & 10. Current Grade 8 students will be the final cohort to complete the IGCSE.

MYP Model

- Language and Literature: English
- Language Acquisition: French & Spanish
- Individuals and Societies: History, Geography, Business Studies, Economics
- Sciences: Integrated Science, Biology, Chemistry, Physics
- Mathematics
- Design: Digital Design
- Physical and Health Education
- Arts: Visual Arts, Performing Arts

IGCSE PROGRAM

The International General Certificate of Secondary Education (IGCSE) Programme is a two-year curriculum developed by Cambridge University for 14 to 16 year olds. It is based on the British GCSE but tailored for a worldwide community. The IGCSE programme provides high academic standards and 21st Century skills that students need to be successful in Senior Secondary school. THE IB DIPLOMA PROGRAMME

Following the IGCSE, Grade 11 and 12 students embark on the International Baccalaureate Diploma Programme. It is a demanding pre-university course of study and designed for highly motivated secondary school students aged 16 to 19. It stimulates critical thinking, reflection on knowledge and experience gained inside and outside the classroom.

Each examined subject is graded on a scale of 1 (minimum) to 7 (maximum). Students must complete three subjects at Higher Level (HL) and three at Standard Level (SL).

The award of the Diploma requires a minimum total of 24 points and completion of three additional requirements: Extended Essay; Theory of Knowledge (TOK). and Creativity, Activity and Service (CAS).

The maximum score of 45 points includes 3 bonus points for good work completed in the extended essay and TOK.

Group 1-Studies in Language and Literature: English A

Literature (HL & SL) Language & Literature (SL)

Group 2-Language Acquisition: Language B

French B (HL & SL) Spanish AB initio (SL)
Spanish B (HL & SL)

Group 3-Individuals and Societies

Economics (HL & SL)

SERVICE LEARNING

Service learning actively involves students in a wide range of experiences, which often benefit others and the community, while also advancing the goals of a given curriculum. Common goals achieved by service learning include: gaining a deeper understanding of the course/curricular content, a broader appreciation of the discipline and an enhanced sense of civic responsibility.

What does service learning look like at TIS? Students are actively involved in the following service learning programmes.

- Kofi and Ama Foundation annual partnership
- Akorlikope TIS adopted community service learning trips
- Educom program
- Borehole for Rural Areas - Water for Life
- Liter of Light Ghana
- TIS Red Cross Society
- Art Therapy
- Literacy Project
- Outreaches
- Hospital outreaches – I am Smile (I am someone making illness less evident)
- Awareness
- Recycling
- GardenHolics – making compost on campus
- CureAid
- Junior Community Service
- Debating Society
- Soccer Outreach
- Photography Club
- Feeding Program
- Kitchen Soup
- Annual School Play
- School Magazine Club

EXTRA CURRICULA PROGRAMMES

A multitude of clubs and activities are conducted after school and during weekends each semester. Clubs and activities include: art and craft; bead making; badminton; basketball; chess club; cooking; cosmetology; garden club; handball; information attaché; keep fit club; MUN Club; needlework; pop band; readers' and writers' club; regimental band; robotics; school choir; science fair club; soccer; strings; swimming; swimming club; table tennis club; taekwondo; tennis; yoga; and zumba.

SPORT

TIS is a member of the International School Sports Association of Ghana (ISSAG) which offers the following interschool competitions: athletics; swimming; volleyball; tennis; table tennis; soccer; hockey; and basketball. Students have the opportunity to represent their house colour in the following competitions: handball; swimming; badminton; tennis; soccer; volleyball; basketball; squash; and athletics.

CULTURAL PERFORMANCES

The students' natural talents in music, drama, singing and dance are enhanced and displayed each year through various opportunities and events. The TIS Annual Play has established an enviable reputation within the local and wider communities. *The Lion King* is still being spoken about in Accra, three years after the event. The 2015 performance, *Sarafina*, was described by the TIS Board Chairman, "as good as any world-class play I have seen."

STUDENT LEADERSHIP

Students have the opportunity to develop and demonstrate their leadership skills through a range of opportunities from Grade 7 to 12. These include the Prefect system (Grade 11/12), Student Representative Council (SRC), (7-12), class leaders and representatives (7-12), Inter-Colour leaders, Model United Nations (MUN), service learning, Creativity, Activity & Service (CAS), Club Executives, as well leadership in sporting and cultural activities.

TIS ALUMNI

Our past students who have pursued undergraduate studies in colleges and universities around the world, are a special part of TIS. Most Alumni frequently visit the school to meet their former teachers and staff, talk to students about their experiences and participate in different school events.

One member is featured weekly in our bulletins and newsletters. Not only were they champions at TIS, but our alumni are also stars in their chosen studies and careers.

SCHOOL GOVERNANCE

Tema International School is a Private Limited Liability Company incorporated under the Companies Code, 1963 (Act 179). Each member of the Board of Governors is appointed by the Board of Directors of the Company to serve for a minimum term of two years and may be reappointed by the Board of Directors.

Among the Board's principal functions are to: ensure the school is well-managed and performs to its best potential consistent with the stated mission, vision and values; set the strategic direction for the school and approve the strategic plan; support the implementation of the strategic plan and monitor progress regularly. The Board has delegated authority for the operations and administration of the school to the Principal. The Board aims to fulfill the dream of the Founding Family.

RELATIONSHIP WITH PARENTS

A successful school reflects a strong school community. Although TIS is a residential school, the school ensures regular communication with parents through weekly bulletins and monthly newsletters, school calendar, frequent events to which parents are invited, online reporting and an open door policy with the Principal.

LEARNING ENVIRONMENT

TIS students are very focused on successful academic results so that they can gain admission to their college or university of choice. Our facilities cater for our scientists, musicians, artists, sports stars, computer scientists and academics. Our school-wide wifi network enables our students to access online resources, digital textbooks and learning management system within our IT labs or by using their own devices.

The learning programme and environment promotes our students to become active learners and critical thinkers within a balanced framework. The TIS DP graduate is an articulate leader who is intelligent, balanced, independent and committed to service and lifelong learning.

A GREEN SCHOOL

TIS is a green school, using biogas to supply our science labs and solar power for lighting in key areas of the school. As a key supporter of the Liter for Light program, TIS has been providing light in one of our service communities at Akorlikope. The TIS GardenHolics produce their own compost from the school kitchen waste and the leaves around campus. This compost is used to enrich the organic components of the soil in cultivating different herbs and vegetables. TIS uses its own borehole for its water needs and is treated through our own filtration system to ensure water purity levels.

SCHOOL SPIRIT: INTER-COLOUR HOUSES

Each student and members of staff belong to a colour house: Red Kigelia, Green Wisteria, Blue Cedar and Yellow Outeniqua. A variety of activities are lined up throughout the year, such as: singing competition, dance battle, spelling bee, current affair quiz, swimming championships, athletics carnival, maths exhibition and quiz, chess tournament and sporty family. These activities promote healthy competition and create a bond amongst students and staff, and in the process, ensure a very happy and conducive atmosphere on campus. The TIS community always looks forward to these competitions.

INTERNATIONAL MINDEDNESS

In today's increasingly interdependent world, it is more important than ever to ensure students are prepared for their roles as global citizens. As our university placement statistics demonstrate, our graduating Grade 12 students study in the four corners of the world. TIS is very fortunate, and extremely proud, of our international students from 15 different countries. Within our student leadership structure, there is an international student representative as part of the SRC executive positions.

There are also six international teaching staff who ensure global and local contexts are presented to students. International and cultural day is a very significant, colourful and anticipated event that is held during TIS Founders' Week. Study, sports, subject-specific and MUN (Model United Nations) trips to international venues ensure that the TIS community is aware of its own culture and that of others. This awareness enables an understanding that people with different perspectives, values, culture and understandings can also be right!
