OTHER FEES

Fees will be charged for other International / Local Tests e.g. ACT, SAT I & II required by universities and other institutions for admission. The Career Guidance Department will notify parents where and when this is required and also about the fees for such examinations.

GUIDELINES FOR PAYMENT OF FEES

1. TIS accepts payments by Bankers Draft or payment made direct into our account³ at Barclays Bank of Ghana Ltd, Tema Main Branch. Personal and company cheques are not accepted not, even into the Bank accounts. Advice slips from the bank should be presented to the Accounts Office as evidence of payment to which an official receipt will be issued.
2. The Accounts Office is open one week prior to start of term and all tuition and boarding fees should be paid during that period. The accounts office will issue a receipt as well as an admission chit. The chit should be presented to the House Guardian on duty for admission into the hostels. Parents must endeavour to pay fees before reopening day to avoid undue pressure on the Accounts Office on that particular day.
3. Parents seeking to pay fees by instalments must apply to the Principal by the end of the previous semester and obtain a written agreement on the terms of payment.
4. **A levy of 10% per month will be placed on all outstanding fees that are not paid on their due dates.**
5. All outstanding fees must be paid by the end of Mid-Semester holidays of that Semester or students will not be permitted to return to school.⁴
6. Bills may contain items such as cost of medical care⁵, lost books, damage to school property, etc
7. Fees are payable per Semester or annually in advance and must be paid on or before the day of re-opening. Please contact the finance office for detailed guidelines when paying annually. No rebate is allowed for temporary absence of any kind.
8. A Semester's written notice is required on withdrawal. If no such notice is given, a Semester's fees must be paid in lieu thereof.
9. Students, who fail to report to school after two weeks of re-opening without a prior request in writing, automatically forfeit their place.
Parents who wish places be kept for their children after they return from leave, must notify the Principal before they leave; in these cases, **full fees** will be payable for the

period of reservation. If no such reservation has been made the child will be considered as a new entrant and will be admitted when a vacancy occurs.

10. Exception to the preceding rule may be made at the discretion of the Principal, if withdrawal is made necessary by unexpected alteration of leave dates or unforeseen transfer of the parents out of Ghana. In any case written notice must be given as soon as knowledge of such change of plans is known: otherwise the prescribed liability in lieu of notice remains. Where the exception is made, full fees for the current Semester in which the child is withdrawn will however be paid.
11. Admission fees and IB Subscription & Examination fees once paid are **non-refundable**
