Thought for the week

In today's rapidly changing world, the people who are not taking risks are the risk-takers.
- Robert Kiyosaki

Calendar

August

- 25 Continuing students return
- 30 G11 Shai Hills Trip; IDU session; EE Cafe; G10 Goal setting
- 31 G11 Shai Hills Trip; IDU session; EE Cafe; G10 Goal setting

September

- 2 Thanksgiving service (11.00am): Visiting Sunday (1.00-5.00pm)
- 8 ACT; Health Walk (6.00am); Hep B Awareness
- 14 Mock TOK Presentations (TBC)

Making Us Proud

TIS welcomed our newest members of the TIS family yesterday –*the 2018 Newbies*. Everyone is commenting, to confirm my observations, about the quality of this group. They are very focused, eager and keen, and are settling in quickly. New friendships are being established that will last a lifetime. Congratulations, 2018 Newbies.

Just as our newest members of the TIS family arrived, our newest Alumni are starting to head off the various regions of the world in preparation for their university and college studies. TIS is very proud of each of our Alumni members and look forward to hearing from them during the course of the year, as well as expecting to see them when they return to Ghana. **BOL, IB Class of 2018.**

Returning to school tomorrow, along with other continuing students will be our IG class of 2018 who performed well in their recent IG exams. These results should now guide them to selecting the best courses, at higher and standard levels, as they commence the DP program in in Grade 11. Congratulations, IG Class of 2017.

Reminders

Uniforms

For those students requiring new uniforms for the start of the new year, please email Aunty Norah with your sizes, and the number and items required. Norah's email is: norahke@tis.edu.gh

TEMA INTERNATIONAL SCHOOL

First Day for Returning Students

Returning students should arrive on campus between 1.00-4.00pm tomorrow, 25 August. Students who are not returning on time should have advised me by now. My email address is: principal@tis.edu.gh

Devices

Students are allowed only one device which must be a laptop. Mobile phones are banned, as are personal modems. Parents should ensure these are left at home when students are returning. Smart watches are permitted, although they will be removed during formal examinations.

Please note: students do not need the most expensive laptop on the market. Students must have their laptop in a protective case when moving between classrooms, and also when moving to and from hostels.

International students who arrive with a mobile phone must hand it to Alex Tay on arrival and collect it at the start of a school break.

An Exciting Year Ahead

Every year at TIS is fast and furious. 2018/2019 will be no different with a whole range of experiences and opportunities for TIS students. My key word for this year is champion. A level of excellence must be consistent to achieve champion status. Action is required, if excellence is to be achieved. However, it will be the focus, effort and consistency that will result in excellence. Each of us should always be trying to improve upon our personal best in everything we do. The emphasis is on learning: not just in academics, but in each experience that is available also to us in sporting, cultural and service activities.

Each student needs to ensure a balance in their life. Without a balance, our wellbeing is at risk. Insufficient sleep immediately affects performance, mood, attitude and eating habits. Friendship and family issues, along with missing deadlines, due to poor (or lack of) planning, result in anxiety. As in the case of spending too much time on social media and games, these are distractions to learning, with students losing their focus. Wellbeing issues will torpedo best intentions for academic excellence. All staff are ready to assist each and every TIS student with their concerns and issues. We are blessed to have Auntie Sandra as the TIS Wellbeing Counsellor.

TIS Events

Parents are always welcome to attend any TIS event. We live in a busy 24/7 world, so this open invitation to parents to attend any event hopefully provides some sanity when trying to juggle calendars.

[Back to top](#)

Thanksgiving Service

At the start of each semester, a Thanksgiving Service is conducted. On Sunday, 2 September, the first semester Thanksgiving Service will be conducted from 11.00am-12.30pm in the MPH. Like all school events, parents are invited and welcome to attend.

Visiting Sunday

Following the Thanksgiving Service will be Visiting Sunday until 4.30pm. Visiting Sunday is an opportunity for family and food, and at first, not in that order. Visiting Sundays are scheduled throughout the year, usually once each month. If a month contains events that parents may attend at TIS, a Visiting Sunday may not be listed. For new families, tables and chairs are set up around the school and families eat and meet in different locations, including the MPH. Students look forward to their parents bringing them their favourite take-away food.

Exeats

Exeats are required if parents require their son/daughter to depart the school for appointments, family gatherings, etc. Parents should download, complete and email the exeat form from the school website : <https://www.tis.edu.gh/exeat-form/>

Please note:

- Students will not have exeats approved if they have outstanding work to complete.
- Exeat requests for a weekend should be received by COB Wednesdays.
- Students returning from an exeat on a school day must be in full school uniform, including shoes, not sandals.
- Students should return from an exeat by 5.00pm

ManageBac for Parents

ManageBac (MB) is our learning management portal that is used by teachers for planning assessment, reporting and attendance. Students use it to access assignment tasks, resources, and assessment results, including semester reports. Parents access MB for reports, announcements and can track their child's academic performance. Almost all messages, including the weekly bulletin and monthly newsletter will be sent through MB to parents.

Welcome emails from ManageBac (MB) were sent out last night to new parents and continuing parents who have not accessed it yet. Please check your junk/spam folder if the email is not obvious in your inbox. Click on the second link – Set My Password. Some advice...

Follow us

[Back to top](#)

So you're setting up your ManageBac password and you may be asking, "What's with the mission-impossible password requirements?"

We take data protection and security pretty seriously, which is why we recently updated our password strength requirements. This is especially important as we introduce Single-Sign-On, which is the ability to sign into multiple platforms with the same username and password.

The password will not save until you see a green box.

You could use a password like **S8raH18!**, but that's not very fun to remember, nor is it nearly as secure as a longer password with random words put together. It's better to use a phrase. We've found that the combination of three or four random common words is easier to remember *and* harder to crack!

An example of a super strong password that's not too hard to remember would be **Teacher Matt Bobo Yellow** or **Horse Battery Staple Yea**

If you have any difficulties registering or logging in, please email Ken (principal@tis.edu.gh)

Yahoo Email Addresses

TIS often has trouble with emails bouncing to and/or from Yahoo email addresses. A major problem is the @yahoo.co.uk. Parents who use these email addresses are encouraged to supply an alternative email address to ensure effective and efficient email communications.

Dates

In this TIS Bulletin, a calendar overview has been included. Parents should ensure that their son/daughter arrives at the start of each semester and not depart before the last day. Your child may tell you otherwise, but each day is important.

I appreciate your support.

Dr Ken Darvall
Principal

Counsellor's Corner

Great to be back to school! Again, a special welcome to all our New Students especially, and our cherished returning students! As we are all ready and fired up “*develop the passion for learning. If you do you will never cease to grow.*” ~ Anthony J.Dangelo.

DP2 Reminder!

We appreciate your efforts and hard work. However, as the semester has started on an energized note, get back on track with the college application process.

- Visit college engines for scholarships, financial aid information et cetera
- Follow up on continuous reading and research for excellent essay writing skills.

Looking forward to a great college application process. Remember: **Grades come first! University is just around the corner. Stay focused!**

DP1 Reminder!

All DP1s are advised to sign up for the SAT and ACT in DP1 and get it out of the way, so you can focus on your IB subjects in DP2. See the College Counselors for assistance if interested.

Scholarship Offers: African Leadership University (ALU)

Hurray! **Congratulations** to our alumnus David Masoperh (Class of 2018), who had a full ride scholarship to African Leadership University, Rwanda Campus. The Nelson Mandela Centennial Scholarship is a full-fledged scholarship for 4 years of undergraduate studies at African Leadership University (ALU). David was part of the 100 chosen out of a thousand applicants this year. For more information visit:

<https://www.alueducation.com/mandela100scholars/>

Notebooks for College Information

- We strongly encourage all DP 1 & DP 2 Students to bring along special notebooks for Guidance Lessons. It is important that each student learns to reflect on the guidance lessons, university fairs, career guidance sessions and other related programs in T.I.S. This is essential as a reference point especially for the college application processing in helping students find the most suitable university of their choice. ****Note: Your notebooks will be inspected.**

University Visit:

- ❖ A flagship public university located in one of the happiest cities in the world and the greenest city in America, founded in the same year when Wisconsin (Madison) became a state.
- ❖ At University of Wisconsin (UW)- Madison, students create their own unique experiences with action fun- packed activities, clubs and associations in the arts and theatre, music, sports and nature among others.
- ❖ A population size of approximately 42,000 students, 10% international students of which 30,000 students are undergraduates with an average class size of 30.
- ❖ A vibrant and strong support system for international students.
- ❖ Well-structured First-Year Interest Groups (FIG's) focused on a unique cluster of UW courses linked together for successful academic and social transition. Examples

Follow us

[Back to top](#)

include: Conspiratorial Thinking, Frankenstein, Robocop and Big Data, The World in 2050, The Artist as Scientist.

- ❖ A learner friendly, environment with a specialty in Residential Community Learning. Example: Green House, Entrepreneurial, International, Multi-Cultural Community Learning.
- ❖ Connects to the various fields of work which includes but not limited: Business, Engineering, Sciences with over 130 majors, and 8 different schools with the exception of Architecture.
- ❖ Intensive research expenditure in Science related programmes. Biology, Ecology, Nursing, and Pharmacy.
- ❖ Estimated total cost of attendance for international students is approximately \$50,000.
- ❖ Unavailability of need based scholarships to international students but limited scholarship slots for 6 international students. Categorically, high achievers from low income families.
- ❖ Test Score: SAT/ACT results: 1360-1600, ACT: 27-36.
- ❖ IB students' final exams score range: 5- 7 IB points in all subjects.
- ❖ Excellent state of arts facilities with exclusive hostel accommodation for all students.
- ❖ A programmed system for internships, work study with strong alumni connections in companies such as Apple, NASA, Anderson Corp. BNP Paribas.

Please note: All SAT & ACT registrations must be done online with a credit card payment ahead of the deadlines

Yale

Young African Scholars Program

YYAS Educators' Conference, 2018

Accra stood still as counselors from all over the globe headed towards Tema International School as the conference host for this year's program. The 3-day program ran the 16-18 August. The Yale Young African Scholars Program (YYAS) is an intensive academic and enrichment program designed for African secondary school students planning to pursue tertiary education and who wish to make meaningful impact as young leaders on the continent. The Yale Young African Scholars Program is in proud partnership with the Highlife Foundation and a member of the HALI Access Network, in collaboration with Ahaspora Young Professionals (Ghanaian Student returnees from abroad, giving back by mentoring high school students and networking). With additional support from The Whitney and Betty MacMillan Center for International and Area Studies at Yale, 150 students participated in the YYAS student conference also held concurrently at T.I.S.

Some Highlights on College Application Process, gleaned from the Educators' Event:

- Students must demonstrate a strong sense of commitment to their environment through community-based learning, as well as a cumulative record of good academic standing.
- For students focusing on pursuing a degree in the USA, a strong demonstration of grit must be reflected in essays, as well as ability to adapt to new environments, teamwork, critical thinking, writing, public speaking, digital literacy and global awareness.
- Financial Aid. Students must have a balanced list of schools. Different universities have different financial aid policies, so students are urged to do a thorough research on their universities of choice. Need-Blind Schools: these are schools that give financial aid to students irrespective of their family financial track record. Need Aware Schools. These schools give aid to students based on the university's financial capabilities. However, receiving aid is highly competitive and students who have demonstrated outstanding academic work in addition to leadership, service and other contributions to their communities stand a greater chance of being selected. USA universities tend to be the most generous when it comes to undergraduate financial aid packages awarded to international students.
- Writing ACT/SAT tests. Practise, practise, practise in order to improve your score! There are available websites for practice tests. Visit <https://collegereadiness.collegeboard.org/sat/practice/full-length-practice-tests> for more information.

CAS-SA Corner

It was great to interact with our Newby parents and students yesterday. We are so confident that this year is going to be awesome!!!

Welcome once again to the TIS family. As discussed in last week's Bulletin, this semester TIS will be celebrating its 15th Anniversary. There will be a number of activities lined up and **all parents are invited to join us.**

**SAVE
THE DATES!**

Health Walk – Hepatitis B Awareness – 8 September

Special Assembly – The Beginnings – 26 September

Anniversary

1. Educational Forum – Opening of TIS Flashback exhibition – 1 October
2. Literary & Cultural Evening (Celebrating International Mindedness) – 3 October
3. Adjavon Memorial Cup – 6 October
4. Thanksgiving Durbar – 7 October

Follow us

[Back to top](#)

Post Anniversary

1. **Beauty & the Beast** – Anniversary Production – 23 November – National Theatre
2. The TIS family Christmas Lunch – 5 December

Contact us if you like to volunteer, sell tickets for our anniversary production, “*Beauty and the Beast*”, be a sponsor, donate towards the various service projects, or be part of any of our anniversary events.

Looking forward to our continuing students’ arrival this Saturday!

8 September – Health Walk – Hepatitis B Awareness –

“According to World Health Organization, Ghana is endemic of hepatitis B viral infection. This is supported by hepatitis B prevalence estimates above 10% based on results of several studies that targeted pregnant women, blood donors, HIV positive clients and prison inmates in the country. This therefore calls for urgent response to deal with the situation.”

<http://ghananewsonline.com.gh/ghana-no-excuse-not-eliminate-viral-hepatitis-2030/>

Call for action!! Join us in educating our community and help eradicate Hepatitis B in Ghana. There will be health screening by [Rabito Clinic](#) experts, presentation on HB facts and prevention, healthy food on sale and much more.

You can't miss this 8km fun walk.

Venue: TIS Campus – MPH Car park

Date: 8 September

Time: 6:00 am sharp.

CAS Orientation Camp - As part of our Diploma Programme (DP) Orientation, the IB Class of 2020 (G11) will be embarking on their CAS Orientation camp from 30 - 31 August 2018. The students will be camping at the Shai Hills Reserve, Greater Accra region.

The CAS orientation camp is an opportunity for students to understand: their responsibilities as CAS students; CAS project requirements; how to

Follow us

[Back to top](#)

balance CAS throughout their two years of the programme and make connections with TOK, EE, their subjects, ASA and DoEIA.

During this two-day orientation experience, a variety of hands-on activities will take place to teach team building, leadership and how to make their community a better place through their service initiatives. Bonding is another great benefit of such trips, especially for the new students.

On this trip will be eight staff members from TIS and six Expedition Experts from Bravehearts to ensure that students are engaged, challenged and safe. All safety measures have been taken into consideration and a risk assessment trip was completed by a TIS team and a Bravehearts team. A wilderness medical officer and an emergency nurse with work experience with the West African Rescue Association will be joining the team throughout the program.

We are committed to challenging our students to make the best of their CAS experience at TIS so that they become active, compassionate and lifelong learners and contribute to make the world a better place for everyone.

All G11 students are reminded to refer to the MB updates regarding to the trip. The CAS handbook is available to you all, please do download and read prior to the Camp. Take note of your kit list before packing. The CAS team is available to assist you, so do not hesitate to contact us.

Human Rights-Friendly School (HRFS) Working Group Workshop

As part of activities to sign unto Amnesty International's Human Rights Friendly Schools Programme in Tema International School, a one-day workshop was organised for selected staff and students who constituted a working group who will be overseeing the implementation of the programme. Three resource persons facilitated the workshop and took the working group through the various modus operandi of the

Follow us

[Back to top](#)

programme: what to do with it; how to approach; who should be involved and its numerous benefits to the school and individuals in the school.

The workshop was very insightful and empowered the participants to become conscious of the need to promote the awareness, education and protection of the rights of everyone related to the school – students, staff, and parents. Beyond the workshop, the working group will be facilitating student led projects aimed at making Tema International School human rights conscious and friendly.

On this note, the working committee welcomes parents who wish to contribute to its workings. Interested parents should content the CAS Coordinator, Mrs. Surama King (surama.king@tis.edu.gh / 0244615255) for further details.

Reminders

1. All students must engage in a minimum of 3 **After School Activity (ASA)** per semester. ASA is from 4:00pm to 5:30pm and on weekends depending on the activity. No student will be in the hostel during ASA. Hostel will be closed and all students are to be engaged.
2. G12 students are expected to have their **CAS portfolio** on ManageBac updated. Experiences without evidence and reflection will be deleted.
3. **All Dukies** are reminded to update their ORB before returning to school. We look forward to celebrating your Award at the HOSA event this coming October. Note that all **Gold** candidates are required to have complete their Residential Service.

Service in Action - Connect, Action, Impact

A warm WELCOME to our Newbies who joined us on Thursday, and a Huge WELCOME BACK to our continuing students who will be returning over the weekend, you have been truly missed.

Last semester ended with a successful Community Project Presentation by the new Grade 9s. It was an impressive meeting, both parents and staff were proud of the various steps used to create an impact in making the world a better place.

As we journey on, the conversation of bringing to life what we learn in the classroom lingers on. Service in Action creates opportunities for students to connect the classroom to a larger world by providing real hands-on activities for the deeper understanding of concepts. Connect, Action and Impact are three main words used to describe Service in Action at TIS. Students **connect** their studies to an actual circumstance by taking **Action** to **impact** the community and the world at large. This action will be different from student to student and from context to context to ensure the variety of ideas and thoughts. Students in the end will have to opportunity through Investigation, Planning, Taking Action and Demonstration to feel Empathy towards others, make small changes to their behavior, act on their own, act collaboratively, take physical action, suggest modifications to existing policies and lobby people in influential positions to act.

By the end of the academic year we will witness the second G8 Community Project Presentation. You won't want to miss this interaction, so stay tuned to the CASSA Corner for more updates and info.

**TAKE
ACTION!**
