## Beauty and The Beast

Tonight is the night.

There is a great buzz around TIS about Beauty and the Beast. Like all challenges, the 2018 cast and crew want to ensure an incredible benchmark for TIS annual productions that the Lion King becomes a long, lost memory.

Have you got your tickets? You can buy them at the door. But remember the action commences at 7.00pm. And, it is for one night only.

It will be a stunning performance. Don't miss it!

Students will be billed for their ticket to Beauty and The Beast.

### Note:

• *As stated over the past two weeks, parents were informed that all students are required to attend so no exeats will be granted for 23/11/18. Parents who were seeking an exeat for 24/11/18, or 24-25/11/18, had to apply for an exeat by 16/11/18 if an exeat was required for the following weekend. Parents were also required to indicate if they were collecting their son and/or daughter from the National Theatre after the performance.*

### End of Semester

The first semester vacation commences on 7 December, Farmers' Day. Students may be collected from 2.00pm on Thursday, 6 December. Students departing on 7 December must vacate the hostels by 10.00am.

### TIS Badminton Championships

TIS is hosting the Ghana Schools Badminton Championships on 7-9 December and then the African Schools Badminton Championships on 13-20 December.

To determine nominations for the first event, TIS conducted its badminton championships last Friday. There were a lot of nominations and it involved quite a few students who are normally not active in sport which was very pleasing to see. I was very impressed with the standard of play.

The TIS 2018 badminton champions are:

- Joseph Agyemang: Boys 13-14 years
- Eunice Ahashie: Girls 13-14 years
- Fiifi Baiden: Boys 15-17 years
- Jennifer Noronha: Girls 15-17 years

Congratulations to our champions, place-getters and competitors.

## School Stream

In a bid to further improve communication, TIS will officially launch School Stream over the next few weeks. The aim is to have many aspects of TIS at your fingertips, especially as many are wrapped around a mobile phone.

Parents may access it now by downloading the *Schoolstream* app from your relevant app store.

## iPhone / iPad iOS

1. From your mobile device go to the **App Store** search for **School Stream**
2. Tap the **FREE/GET** button to the right of the School Stream listing
3. Tap the **INSTALL** button
4. Enter your Apple ID and password & tap **OK**
5. Wait for the install icon to change to **OPEN**
6. Tap the **OPEN** button
7. You will be prompted to accept push notifications, you will need to select **OK**
8. Start typing **Tema International School** into the search then **SELECT Tema International School**

## Android / Tablet

1. From your mobile device go to the **Play Store** search for **School Stream**
2. Tap the School Stream listing
3. Tap the **INSTALL** button
4. Tap the **ACCEPT** button
5. Wait for the app to install then tap the **OPEN** button
6. Start typing **Tema International School** into the search then **SELECT Tema International School**
7. Tap the **DONE** button in the top left.

## Windows Phone/Other Devices

Use the following link, and follow the instructions below. Tema International School

- Open the website you want to pin
- Tap More icon, then tap Pin to Start

You will be able to access all of your school's information, however, you won't be able to receive notifications.

*Note: Some devices may vary please follow your usual installation procedure for downloading and installing an app to your device.*

At the moment, you will be able to submit exeats, access the Weekly Bulletin and Monthly Newsletter, as well as receiving alerts, such as the internet hassles at TIS this week. The options will dramatically increase over the next few weeks.

## The Common Denominator

### *Uniforms*

For any uniform requirements, please email Aunty Norah with details, including sizes, and the number and items required. Norah's email is: [norahke@tis.edu.gh](mailto:norahke@tis.edu.gh)

### *TIS Events*

Parents are always welcome to attend any TIS event. We live in a busy 24/7 world, so this open invitation to parents to attend any event hopefully provides some sanity when trying to juggle calendars. Throughout the year, there are specific Visiting Sundays. However, they are not a monthly event as there may be sufficient TIS events available to parents to see their son/daughter.

### *Exeats*

Exeats are required if parents require their son/daughter to depart the school for appointments, family gatherings, etc. Parents should download, complete and email the exeat form from the school website: <https://www.tis.edu.gh/exeat-form/>

Please note:

- Exeat requests must not clash with a school event. Approval from the general Manager will be required in these instances.
- Students will not have exeats approved if they have outstanding work to complete.
- Exeat requests for a weekend should be received by COB Wednesdays.
- Students returning from an exeat on a school day must be in full school uniform, including shoes, not sandals.
- Students should return from an exeat by 5.00pm. Gates are locked at 6.00pm.

*ManageBac for Parents*

[Back to top](#)

ManageBac (MB) is our learning management portal that is used by teachers for planning assessment, reporting and attendance. Students use it to access assignment tasks, resources, and assessment results, including semester reports. Parents access MB for reports, announcements and can track their child's academic performance. Almost all messages, including the weekly bulletin and monthly newsletter will be sent through MB to parents. If you have any difficulties registering or logging in, please email Ken ([principal@tis.edu.gh](mailto:principal@tis.edu.gh))

### *Personal Laptop Requirements*

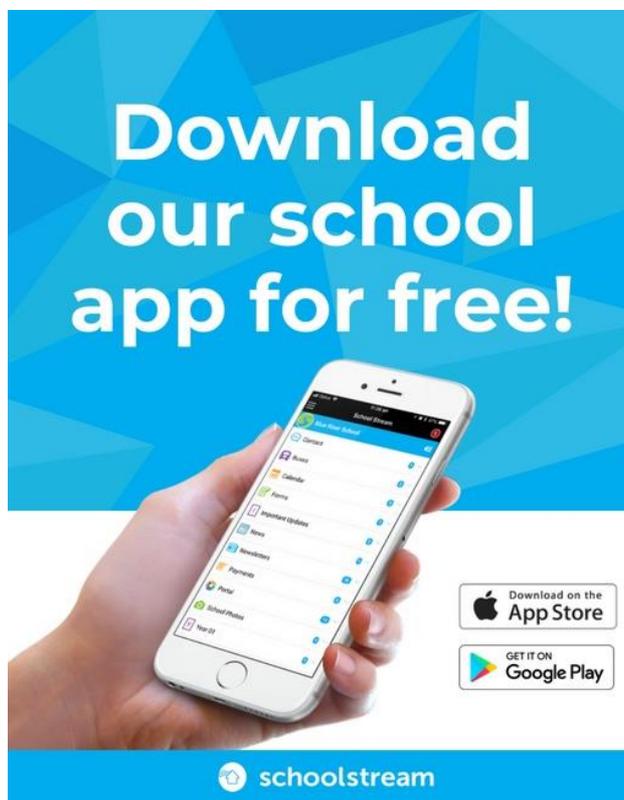

We strongly recommend that students bring and use a laptop at TIS. To ensure a successful connection to the TIS Wifi network, parents and students should be aware of the following basic requirements.

1. PC: Windows Operating system should be domain ready. Mac: Mac OS10.9 or above
2. Microsoft Office (Office 365) installed and activated
3. Anti-virus installed and firewall activated
4. In-built wireless adaptor card installed and tested
5. External wireless adaptor (USB) compatible
6. Chrome or Firefox installed

For further advice, or assistance, please email IT Support: [support@tis.edu.gh](mailto:support@tis.edu.gh)

See you tonight at the National Theatre.

### GRADE 12 GEOGRAPHY TRIP REFLECTION

The DP2 Geography students embarked on a trip to the largest slum settlement in Ghana- Sodom and Gomorrah. The students were in the company of their teacher Mr. Michael Odame and a hostel staff, Ms Setor Addih. The trip was to help the students appreciate some of the symptoms of urban stress in less economically developing countries. Feedback from the students indicate that the trip was insightful as it gave them a first-hand experience of life in squatter settlements. We wish to express our gratitude to the management of Tema International School for giving us the opportunity to undertake this trip. We also appreciate the support of the Officer-in-Charge of the Ghana Police Service, old Fadama Station, for giving us five police officers who gladly escorted us through the various sections of the settlement. Please find below some reflections from the students. (*Michael Odame- Geography Teacher*)

For this trip, my grade mates and I went to Sodom and Gomorrah and to Kwame Nkrumah Mausoleum. This trip was undertaken to enable us to understand the symptoms of urban stress and to identify the distribution of some primary and secondary tourist sites. At Sodom and Gomorrah, we had the opportunity of walking through the slum settlement and going to the Yam market with police escort. During our stroll, we witnessed symptoms like air and water pollution, crowded and congested housing structures and poor communication lines. Overall, the walk was very informative because even though we started out very skeptical and afraid of the area, we got to learn that some people were only there due to unfortunate circumstances and had nice personalities.

Follow us

[Back to top](#)

Our trip to Kwame Nkrumah Mausoleum was also very exciting. We were briefed on the life of Dr. Kwame Nkrumah and his impact on Ghanaian society. Aside his tomb and statue, we saw some of his personal possessions like his walking stick, his mattress from his high school and his Cadillac.

All in all, the trip was a huge success. I was able to practise a few of the IB learner profile attributes like being a risk-taker, open-minded, balanced and principled. Through this, I was able to adapt well in these foreign environments and maximize the amount of knowledge I received at the end of the day. **Zara Mingle**

On the 15 of November, our Geography class embarked on a trip to Sodom and Gomorrah and the Kwame Nkrumah Mausoleum to study symptoms of urban stress and tourism respectively. When we got to Sodom and Gomorrah, we had to get a police escort due to the high crime rates and conflicts in the area. Five police officers escorted us as we toured the area. I noticed that the clustered houses were made out of makeshift materials such as wood and iron sheets. There are no drainage systems in place so the place floods when it rains heavily. Moreover, the roads are unsealed and have a lot of garbage on the sides. After spending about 2 hours walking, we went to the Kwame Nkrumah Mausoleum. I realized that the place is not as bad as the media houses project it. Visiting Sodom and Gomorrah made me realize how fortunate and blessed I am. I am now more appreciative of my environment. **Joseph Okyere**

We observed the lifestyle of the residents of Sodom and Gomorrah, a resilient city in Accra. We saw very tiny rooms with about 20 to 30 people squishing in, in order to pay small amounts each to cater for their rent. We also learnt about the history of how the settlement came into existence and how the residents benefit from living there. Later on that afternoon, we proceeded to the Kwame Nkrumah Mausoleum. There, the tour guide gave us a brief history of Dr. Kwame Nkrumah including his accomplishments and impact on Ghanaian society. We saw many artifacts which previously belonged to Dr. Kwame Nkrumah including the casket he was flown to Ghana in, a lot of his clothing and the desk and telephone which he used in his office. We moved on to see his tomb as well as that of his wife Fathia Nkrumah.

Through this experience I have been able to see first-hand what I have learnt in class such as urban stress and resilient cities. Personally, visiting Sodom and Gomorrah highlighted the privileges I have as an individual and has made me more appreciative. **Mercedes Asafo-Agyei**

## IMUN-STEAM Summer Programme

### 2019 IMUN-STEAM Summer Programme

Hood College, USA

# 14-27 July 2019

The UNESCO Center for Peace is excited to announce this year's International Model United Nations — Science, Technology, Engineering, Arts and Mathematics (IMUN-STEAM) Summer Program! Get ready to experience a unique opportunity to build your leadership and team working capacities in our educationally-based programs. Our overarching goal is to instill within each student the diplomatic skills necessary to become a great agent of change in their community. Our program is designed to end the passive attitude and empower tomorrow's leaders with the best tools available to successfully spread the ideas of peace into the minds of the next generation of global citizens and leaders.

#### Look forward to

- ▶ Being an ambassador while enhancing your conflict resolution, teamwork, and leadership skills
- ▶ Experiencing other cultures while discussing some of our world's most pertinent issues
- ▶ Developing your skills in communication, public speaking, research, and critical thinking
- ▶ Building life-long relationships and international connections

Follow us

[Back to top](#)

### Program Outline

- ▶ Field Trips to Washington, D.C. and New York City
- ▶ Campus visits to US Universities
- ▶ International Model United Nations Conference and STEAM Program
- ▶ STEP Sustainability Showcase
- ▶ Cultural Showcase and Talent Show
- ▶ Sports Day
- ▶ Cultural Diversity and Global Citizenship Workshops
- ▶ Team Building and Guest Speakers

## What to Expect:

Our International Model United Nations (IMUN) Conference exposes our delegates to many of the significant global issues affecting our world today and allows them an opportunity to solve them through international negotiations. During the conference, participants employ a variety of communication and critical thinking skills, which include public speaking, research, policy analysis, negotiating, and technical writing, in a widely diverse and multicultural environment. Our Science, Technology, Engineering, Arts and Mathematics (STEAM) Program is geared for students with a greater interest in utilizing sciences to ensure sustainable practices. This hands-on curriculum is designed to build crosscultural collaboration in research, problem solving, and advanced critical thinking skills. Students will learn the value of and understand how the sciences play instrumental roles in international peace. Participants explore the United Nations 2030 Agenda goals to work toward sustainability initiatives

## ALAMAU 2019

Every year, hundreds of brilliant individuals gather in Johannesburg to take part in the African Leadership Academy Model African Union (ALAMAU) conference. The year 2019 will mark the sixth session of ALAMAU. ALAMAU gives delegates the chance to tackle real issues that the continent faces. Over the course of five days, delegates will be able to navigate some of these issues through rigorous debate, resolution drafting, and creating action plans that make their resolutions come to life.

It is an experience that allows delegates to better understand the mechanisms of international bodies such as the AU, and further permits them to unravel the complexities of diplomacy. Apart from growing their wider understanding on international relations, delegates also get the opportunity to grow as individuals as the conference allows them to strengthen their research skills, public speaking skills and strategic thinking, to name but a few. Their individual growth journey is facilitated by our ALAMAU staff who produce individualized feedback reports on each delegate's performance in their respective committees.

- Participants are chaperoned by teachers of TIS at the ratio of one teacher to 10 students.
- Lessons are delivered by professional French/Spanish teachers.
- Teachers from TIS live in the coordinator's house and communicate with students in the host families. Together with the coordinator, they get solutions to any problems that may arise from any of the host families.
- TIS teachers, the coordinator and the group's guide wait at a meeting point each morning. The host parents bring the participants in their private cars awaiting to be transported in a coach to school.
- At 5.00pm- 6.00pm each day, host parents wait at the same rendez-vous to take the kids back home.
- Participants spend weekends at home or go out with their host parents.
- Participants are not allowed to go out unaccompanied by host parents or TIS teachers.
- Participants have the telephone numbers of their TIS teachers and that of their host parents. Teachers also have that of all their students.
- Participants have travel and health insurance.
- On arrival in France/Spain, the TIS leaders collect all passports from participants and give them back to them on the day of departure.
- Parents of our students have access to the addresses of the host families of their children and therefore, can communicate with them and may even visit them should they be in France/Spain whilst the group is there.
- Parents have the addresses of the TIS leader so they can communicate with him/her.
- Participants are advised to keep their pocket monies with TIS teachers.

**TIS Anniversary Production.  
 The beauty in the beast!**

I had the rare privilege of sitting through the first run-through of the mega musical, *Beauty and the Beast*, being put together by the Tema International School for their 15<sup>th</sup> Anniversary celebrations and I cannot but tell you that you must give a right arm, a kidney and a spleen, if that is what will cost you, to see this play.

On Friday, 23 November 2018, at 7:00pm, the National Theatre will be lit with the classic Walt Disney's 30<sup>th</sup> animation feature, *Beauty and the Beast* (1991), a special adaptation for stage by the Tema International School.

**The Story**

An arrogant Prince is magically transformed into a hideous beast, by a witch who comes seeking for shelter but receives the most hostile treatment, together with his servants and household until such a time that he will learn to love and be loved in return, not for his charming looks but for the content of his heart and character. All this is set against a ticking clock – until the last rose petal falls. Having trusted in his good looks and fortunes up until this curse, this Beast must now learn to love, respect and treat others more humanely.

A beautiful lady (Belle) wanders in the castle looking for her father whom the beast has taken captive. She bargains the exchange of her father with herself which the beast gladly consents. Following the classic boy-meets-girl Hollywood style, well, since you already know the story I will not be spoiling anything here by telling you that the Beast falls in love, or rather Belle falls in love with him. And they kiss just before the last petal falls and they all become, “human again”. But not after the Beast has learned the very important lesson of respect and humility.

## The Performance

Tema International School will be treating you to the most iridescent display of colour, pomp and pageantry. The renditions of the songs are nothing but spectacular and the acting most riveting. The live band, the live vocals, the beautiful and spectacular costume, set and lighting are altogether breathtaking. All these are carefully orchestrated to get you feeling positive and uplifted by the end of the show. You will leave that auditorium on Friday feeling great about the beauty in your beast.

## Why Beauty and the Beast

Considering the theme for the anniversary, *‘Reflecting on our journey, Inspiring new direction’*, Tema International School finds no other befitting story that captures the theme of the 15<sup>th</sup> Anniversary better than Beauty and the Beast. They believe that at the very core of every creature, man, living thing, however uncanny, unassuming, or even sheer unlikely, everyone has something beautiful inside. Tema International School does not pay lip service to this belief at all. The school carefully streamlines all its activities from academics to

sports, leadership and culture to focus on bringing out the best (beauty) in every student by giving them ample opportunities to try and fail and grow and try again till they succeed. Belle, after spending time with the Beast begins to recognize that there was “something there before” but she hadn’t noticed. Tema International School notices the talent, potential and uniqueness of every student and they make sure that they give it all the polishing it needs before the student departs its walls. This belief, they seek desperately to share with the whole public – *there is beauty in every beast! If you look for it, you will find it.*

As the director for two previous plays for the school and having had the privilege of seeing the show before the show, I highly recommend that you not only come see the play, but come with the entire village, whatever the cost.

What is even nobler about this production is that all proceeds will be channelled into their charity projects which include support for children lifesaving surgery, incubators for hospitals, building of the school at Akorlikope, raising awareness for Hepatitis B, anti-skin bleaching, and eradicating plastic pollution in Ghana among others.

Come find the beast within while making a difference in our community.

There is beauty in every beast.
