Happy New Year to all members of the TIS family and supporters. May all targets and goals be fulfilled in 2019, especially for our G10 and 12 students.

Return to Hostels for Second Semester

With last week's announcement of a public holiday next Monday, 7 January, students may return to hostels by 4.00pm on this day (7/1/19) and not this Saturday as previously advised.

For those families who have already made plans to have their child/ren return on Saturday or Sunday, you may do so. However, in this case, please email me by **12.00noon today (Friday)** with the anticipated arrival time so that catering arrangements are put in place.

School Accounts

Parents wishing to reconcile their school accounts may do so today or on next Tuesday. The accounts office will not be open during the weekend.

A reminder that outstanding fees must be paid before students return to hostels, unless arrangements have been made with Kobina Quansah, Financial Controller.

Identification Labelling

Students are required to have their belongings appropriately labelled for identification purposes. Too many students are careless about leaving their belongings in the wrong place (not their lockers) and then not remembering where they left them. Often, items left around the school, especially laptops, power cables and chargers, are claimed by students who think an item belongs to them.

Anti-Virus Software

Students should have a working Anti-Virus before they can access the TIS domain.

Alumni Week

We are looking forward to many Alumni joining us throughout the coming week, especially before many return overseas to commence their new semester. These activities include:

- Tuesday, 8/1/19: Special assembly presentation by Derek Bonsu and David Gbate.
- Saturday, 12/1/19: Athletics Carnival (8.30am) and entertainment (7.00pm)
- Sunday, 13/1/19: Thanksgiving Service (11.00am)

I look forward to the safe return of all students.

Ken
