COVID-19

- Wash your hands frequently and thoroughly.
- Practise social distancing at all times.
- Wear a face mask when 'out'.

Thought for the Week

As long as you live, keep learning how to live.

Seneca

Back to School!

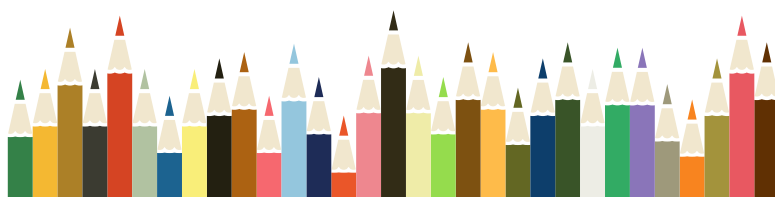

How time flies! Our Newbies start next Wednesday, 18 August. They should arrive at TIS between 11.00am and 1.00pm. There will be a general meeting at 2.00pm and parents will be required to depart by 4.00pm

Continuing students return on Sunday, between 10.00am and 4.00pm.

Please be advised that social distancing restricts the number of vehicles entering TIS at any one time. Please be patient and considerate of others.

Accounts and Chits

School fees must be paid prior to the start of semester or

"My definition of integrity is a set of beliefs, values, and actions that others can depend on."

-Steve Bollar

SAT & ACT

- Best advice: students who are required to complete SAT and/or ACT requirements should do so by the end of Grade 11. Leave it until G12 and you have created a personal time-management monster.
- Please follow instructions and details provided in the weekly Counsellors' Corner section of the TIS Bulletin.

Top Concentration Killers

- Social media
- Email overload
- Your mobile phone
- Multitasking
- Boredom
- Nagging thoughts
- Stress
- Fatigue
- Hunger
- Depression
- Medication
- ADHD

Action Required

- Remember to send a copy of any payment advice to Mr Quansah.
- Check your Spam and Junk

have an approved payment plan for students to return to campus. A 'chit' is required to enter the campus and these will start being distributed from tomorrow.

Please note that in most cases banks provide scant details of payments deposited, often not listing a name or even a student ID. This makes it almost impossible to identify the payee.

Parents are kindly requested to send a copy of any payment advice to Mr Quansah so that all payments can be reconciled.

Accounts and payments should be made by 16 August to avoid a delay to the return to school. Your cooperation in this regard is always appreciated and valued. Thank you.

COVID Protocols

The Delta variant is a major concern especially its impact on children and young people. Please note the following changes to our COVID protocols.

1. The test for school must be done 24 hours prior to returning to school and NOT the previous 72 hours since most testing centres, including the suggested Leding and Sonotech, give results within 6-12 hours maximum. This captures most people in the incubation phase who may test negative and start shedding the virus after they get to school.
2. A Day 5 Antigen test will be carried out for all students to ensure that all is well.
3. Teachers, vaccinated and unvaccinated, will be tested every 2 to 4 weeks with the antigen test to pick out any asymptomatic individuals.
4. The mask policy and supervision remain in force. Masks are to be worn at all times, except when having a meal or when students have returned to their individual dorm. Cloth masks are NOT ideal especially due to the ill-fitting nature and worn-out fabric.
5. Vaccination is no more a ticket to freedom with this predominant Delta strain. ALL other protocols will be encouraged and monitored, especially sanitising, temperature checks, opening a window or two, and social distancing at all times.

Other Matters

- Please be aware of the medical exeat and visiting protocols that were listed in last week's edition. https://www.tis.edu.gh/wp-content/uploads/2021/08/TIS_Bulletin_060821.pdf
- Minimum requirements for personal devices are listed on page 4.
- Meal times have changed due to modified social distancing procedures. These are listed on page 5.
- Monday, **30 August**, Primary School Campus students commence classes.
- Parents must advise us if their son/daughter will not be returning by 22 August, as these students will be required to quarantine before entering the hostels. In these cases, parents will be advised when the student may return due to quarantine space restrictions.
- Students must have sufficient personal supplies (face masks, sanitiser, sanitising wipes and antiseptic.)
- Parents and students should keep in mind that due to COVID there will be no exeats approved unless due to extenuating circumstances and only with the approval of the General Manager.

We are looking forward to the safe arrival of our 2021 Newbies on 18 August and the safe return of our continuing students on 22 August.

I appreciate your support. Stay healthy.

“FunCtion Time” = Fun + Action

So soon, and we’re back to our vibrant campus. Preparations have been the order of the week as teachers pave the way to welcome our newbies and seasoned students to a fun and action-filled semester.

Teachers are planning collaboratively and individually, reviewing the past term, and feverishly preparing for the new school year. Our Program of Inquiry (POI), Scopes and Sequences, ManageBac, learning, and teaching tools are all under review.

Individual Planning

The PYPX, our maiden Exhibition that crowned the school year in May, was a success and set the bar high for the current Grade 6 class. Teachers are planning for the resources for this all-important event to maintain the standard or raise the bar even higher.

PYP Staff Meeting

This preparatory period is also a time for reflective practice and workshops specifically tailored to meet learners' needs and improve our practices as teachers.

Collaborative Planning Session

With collaborations being the hallmark of the primary campus, this meeting was set to get the agenda of success rolling for the academic year. It has been a productive week in preparing for the welcoming of our students.
